Ronnefeldt Tea

4

For our tea selection, we chose Ronnefeldt. All the tea is hand-picked while using traditional methods.

This gives the leaves an exquisite flavour and provides a rich taste experience.

English breakfast

A gentle Ceylon tea with the unmistakable sparkling and lively flavour of the island.

Earl Grey

A delicate flowery autumn plucking blended with the refreshing citrus aroma of bergamot.

Green Dragon Lung Ching

A rare pleasure for tea connoisseurs when the typical subtle tartness of green tea joins with a flurry of freshness.

Morgentau

A fascinating tea composition with Sencha, flower petals and the delicate, fruity flavour of mango and lemon.

Fruity Camomile

Bitter-sweet camomile complemented with aromatic orange peel.

Refreshing Mint

The typical flavour of mint with a new dimension in freshness with lemon grass.

Bergkräuter

Lemon balm, anise, and thyme – as fresh and fragrant as the morning mountain air.

Vanilla Rooibos

The much-loved South African rooibos, flavoured with the richness of creamy vanilla.

Ginger Affair

Spicy ginger and fragrant lemon myrtle - an unlikely couple, yet in perfect harmony.

Sweet Berries

A richly aromatic combination with the sweetness of juicy fruits.
